

Amzur Technologies Company Policy

Amzur Technologies is a software consulting company headquartered in Tampa, Florida. Founded in 2005, the company specializes in digital transformation, cloud migration, and custom software development.

Remote Work Policy: Employees are allowed to work remotely up to 3 days per week. All remote workers must be available during core hours from 10 AM to 4 PM Eastern Time.

Annual Leave: Full-time employees receive 20 days of paid time off per year. Unused PTO can be carried over up to 5 days into the next calendar year.

Technology Stack: The company primarily uses Python, TypeScript, React, FastAPI, and PostgreSQL for its projects. Cloud deployments are handled through AWS and Google Cloud Platform.

Training Budget: Each employee is allocated USD 2,500 per year for professional development, including conferences, courses, and certifications.

Performance Reviews: Reviews are conducted quarterly. Salary adjustments are made annually based on performance ratings and market benchmarks.
